

28 January 2022

**Ferrexpo plc**  
**(“Ferrexpo” or the “Company” or the “Group”)**

**New Corporate Website**

Ferrexpo plc (LSE: FXPO), the world's 3<sup>rd</sup> largest exporter of high grade iron ore pellets to the global steel industry, would like to inform its stakeholders that it has launched a new corporate website at [www.ferrexpo.com](http://www.ferrexpo.com).

The Group's new corporate website includes interactive material on Ferrexpo's operations, management videos and information on the important role of high grade iron ore pellets as the global steel industry looks to decarbonise. The Group recognises the importance of engaging with stakeholders via its digital offering, and intends for the new website to be a modern and accessible platform for stakeholders to keep up to date with Ferrexpo's activities.

**About Ferrexpo:**

Ferrexpo is a Swiss headquartered iron ore company with assets in Ukraine and a premium listing on the London Stock Exchange in the FTSE 250 index (ticker FXPO). The Group produces high grade iron ore pellets, which are a premium product for the global steel industry and enable reduced carbon emissions and increased productivity for steelmakers when the Group's iron ore pellets are converted into steel, compared to more commonly traded forms of iron ore. Ferrexpo's operations have been supplying the global steel industry for over 40 years and in 2021 the Group produced 11.2 million tonnes of iron ore pellets, placing Ferrexpo as the world's 3<sup>rd</sup> largest exporter of pellets to the global steel industry with a market share of approximately 9%. The Group has a global customer base comprising of premium steel mills around the world, which includes steel mills in Austria, Germany, Japan, South Korea, Taiwan, China, Slovakia, the Czech Republic, Turkey, Vietnam and America.
