Notes:

Ferrexpo is a Swiss headquartered iron ore company with assets in Ukraine and a listing in the equity shares commercial companies category on the London Stock Exchange (ticker FXPO) and a constituent of the FTSE 250 and FTSE4Good indices. The Group produces high grade iron ore pellets, which are a premium product for the global steel industry and enable reduced carbon emissions and increased productivity for steelmakers when converted into steel, compared to more commonly traded forms of iron ore. Ferrexpo's operations have been supplying the global steel industry for over 50 years. Before Russia's full-scale invasion of Ukraine in February 2022, the Group was the world's third largest exporter of pellets. The Group has a global customer base comprising of premium steel mills around the world. For further information, please visit www.ferrexpo.com.
